## Rules for Audio Visual Show Competition

1. Shows to be a maximum length of 10 minutes
2. All photos used must have been taken by the author.(Except see Rule 3)
3. Photos from secondary sources are allowed but should not be more than 10% of the show and should be acknowledged at the end of the show. This would enable diagrams, paintings, etchings and news photos to be used to enhance the story being told.
4. Commentary must be written by the author alone, although it is acceptable for someone else to read it.
5. The putting together of the AV show and the creation must be done by the author alone.
6. Use of a wizard to create the show is not advisable.
7. Do not put your name on the show so that the judge can be impartial.
8. You can use any AV show programme as long as it will play in a PC compatible format.
9. If there is any doubt about a show playing bring it in beforehand to check on the club laptop
